Chairman LaFontaine discussed a potential new site for the Drillfield at the Park and Ride on Ky. 17. The property is currently owned by the State but they have expressed interest in donating the land to the County. This plot could potentially be used for the Drillfield. The County is willing to expend money for a survey if this site is acceptable. Much discussion ensued.

C. Deye reported that we were finally given a price for the Tuscany property which is \$75,000 however there is no contract as of now.

A motion was made by M. Steward and seconded by J. Stager to not make the Park and Ride our primary Drillfield location. The motion passed.

The training facility committee is to meet soon.

There was a motion by M. Steward and seconded by S. Schewe to move forward with the purchase of the Tuscany property and to draw up a real estate contract for the property. The motion carried.

The Chairman added D. Slusser to the committee because of his real estate experience.

Committee members are Chairman N. Russell, M. Bloemer, C. Deye, C. Stewart, R. Becker and D. Slusser.

Motion to adjourn the meeting by M. Steward and second by A. Fuller. Motion passed. Meeting adjourned at 10:14 hours.
